- Restaurants
- Retail stores
- Shopping malls
- Condo buildings
- Hotels
- Stadiums/arenas
- Hospitals
- Colleges
- Museums
- Offices

Projects

Mat & Nat Store

Fairmont Hotel

TD Bank

American Dream Bar

Jarana Restaurant

Starbucks

Eco Friendly

Resources

- Sourced in Canada and USA
- Recycled and reclaimed wood

Supply chain

- Vetted suppliers who ensure eco-friendly raw materials
- Local production to guarantee high quality and reduce carbon footprint
- Transport on ground to reduce greenhouse gas emissions

Social responsibility

- Fair labor practices and safe working environment
- Metrics to track and promote minimal waste

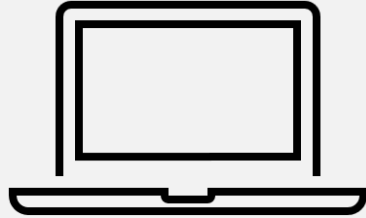

Sustainability Initiatives

- Transportation vehicles for local shipments are all electric
- Millwork facility uses Hydroelectricity. We pay additional fees to leverage their renewable energy program
- All unused wood products are grinded down and shipped to a program for low income housing heaters and fireplaces
- Wood is FSC certified
- All offcuts of steel are melted down and given to a program that will reuse and recycle
- We are involved in LEED projects
- Recently shifted all production to water-based finishes
- Lighting in the shop is LED, lowering carbon footprint
